Personal Sponsor Griffins 2024

Now can YOU, as a company or individual, support an individual player and at the same time contribute to Limhamn Griffins' success. With top-notch support and resources, we create a thriving environment for players to develop and the club to reach a new level.

As a personal sponsor, you have the chance to follow the player and their team on site during matches. Thanks to your sponsorship, a player can get the chance to continue their career, even though they might not have the financial resources themselves. Regardless of which player you support, you get two free entries to all of Limhamn Griffins' home games. This applies to the regular season, playoffs and international cups played at Hästhagen's IP. Your logo will be visible in one of the best places on the player's equipment, on the back of the helmet, an exposure that is often shown in pictures on Griffins' social media and website.

There are two different levels of this sponsorship:

Silverpaketet
